

# Valuation Booking Workflow Audit

Use this to map how a seller enquiry becomes a confirmed, prepared valuation appointment.

Area to check	Current state	Action needed
Seller qualification route		
Diary and valuer routing		
Confirmation and reminder process		
No-show recovery path		
Reporting and attribution checks		
Pre-valuation summary		
Post-valuation follow-up		

Next step: book a 15-minute MotionFlow workflow audit and we will map the highest-leverage improvement for your branch.
